

WHAT'S YOUR STORY?

Inspiring One Student at a Time

SHARING YOUR HOSPITALITY STORY

It's never too early to engage youth in thinking about a career in hospitality. You can help us make an impact in the hospitality workforce by telling the youth your story through the OHI *What's Your Story?* program.

Join dozens of professionals from the industry as they share their unique and interesting hospitality journey with students, teachers, and parents across Ontario. Your submission to our *What's Your Story?* program is featured on our website as a catalogue and resource for students to find inspiration to start a career in this exciting and amazing field.
